COMING TOGETHER TO MAKE AN IMPACT IN OUR COMMUNITY AND AROUND THE WORLD

Each year, we invite all of you who call River Pointe & West End home to join us on mission together.

We come together to give beyond ourselves, so we can continue to make an incredible impact in our community and around the world.

Whether it's a child in the Dominican Republic who gets a Christian education and medical care, a man in prison who finds hope in a new relationship with Jesus or a local single mom in crisis that we're able to assist, your giving allows our mission to move forward by providing support to so many.

Because of your generosity, thousands of lives are changed.

Thank you for prayerfully considering making a sacrificial gift above your regular giving, so we can expand our efforts in the year ahead.

MAKARIOS

Dominican Republic

Since 2016, we've partnered with Makarios in the Dominican Republic (DR).

Makarios has a school that serves 240 students and 145 families. They offer parents monthly training, home visits and biblical counseling, and the school provides educational opportunities and spiritual development beyond the classroom.

This summer, we sent a team on mission to the DR. We pitched in with renovations at the school, hosted a team-building workshop for staff members, attended church locally, prepared a devotional and activity for university students and more.

CUBA

Hope for Cuba

We're celebrating over 10 years of working with the Cuban people by supporting 100 Cuban pastors and home churches, helping with construction projects and transportation needs, providing Bibles and more.

GOD BEHIND BARS

In 2022, we launched a new RPC|WE campus inside the W. F. Ramsey Unit in Rosharon, TX in partnership with God Behind Bars. Alongside our amazing team of volunteers, we provide impactful worship services and mentorship to bring the hope of Jesus to the nearly 100 men who attend each week.

MEALS FOR KIDS

Every year, we gather together to package meals for hungry kids in need. In 2022, 1,200 volunteers packed 170,000 meals total on each of our campuses for kids who are lacking nutritious food.

SECOND MILE MISSION

Through your generosity and alongside Second Mile Mission, we're able to help people in their most desperate times by providing hope and a bridge to a better life through food distribution, job training, financial counseling and ESL services.

Every summer, our 4th & 5th graders learn to love and serve others alongside Second Mile and other amazing local mission partners at Serve Camp.

GLOBAL PARTNERS

MEXICO

CUBA

DOMINICAN REPUBLIC

JAMAICA

COLOMBIA

In 2024, we'll continue our global reach by sending people on mission to **Mexico, Colombia, Cuba, Jamaica and the Dominican Republic.**
